Universal Media's 2017 Corporate Travel Awards

Universal Media is pleased to announce the publication of their first ever Corporate Travel Awards. Eight years in the making, the Corporate Travel Awards is the culmination of Universal Media's time and experience spent working with major corporate and travel industry brands.

After much hard work and many hours spent sifting through the votes and the voting criteria data, Universal Media is proud to officially announce the winners; each vote was compared against a strict set of measurable criteria in order to produce a list of finalists and the eventual winners.

We have selected the best hotels, restaurants and resorts that enable us to recognise the excellence in service that the travel industry presents.

We would like to take this opportunity to congratulate our winners and finalists, and thank everyone who voted.

Notes to Editors

Universal Media is a fast-growing business to business publishing house based in the Cathedral City of Lichfield, UK. In addition to each monthly publication Universal Media also publishes a number of industry-leading corporate, legal and travel award publications.

Since 2009 Universal Media has published Finance Monthly magazine and Lawyer Monthly magazine, each title now has a global readership of over 200,000 and they are read by leading lawyers, law firms, in-house counsel, accountants, corporate advisors, Private Equity firms, CEOs and CFOs. This type of readership is well-travelled and certainly familiar with, and expects, high standards when travelling and staying away from home. In addition, each magazine has a well-read corporate travel section each month, which highlights leading hotels, travel technology, and travel itself.
